

BLAUPUNKT

MELO-D -WIRELESS DOORBELL KIT

150 M OPEN RANGE

BE INFORMED OF YOUR VISITS

When a visitor calls around, Blaupunkt's Melo D wireless doorbell naturally alerts you. Its wide choice of melodies lets you personalise your alert, while its mottled black fabric design blends in perfectly with your interior.

ADVANTAGES

- Easy to use: the doorbell uses 2 AA batteries (not included in the kit) and the call button uses one CR2032 battery (included in the kit). As they are already paired, you don't need to make any adjustments. What's more, it has an open range of 150 metres between the call button and the doorbell.
- Place it wherever you like.
- You can choose from 23 melodies with 4 sound levels.
- An indicator light gives a visual signal when a call is received.

KIT CONTENTS

- 1 wireless doorbell to be put down
- 1 call button (CR2032 battery included)
