

BLAUPUNKT

MELO-D KINETIC MINI - WIRELESS DOORBELL KIT

100 M OPEN RANGE

350103

A MINI ALERT SYSTEM.

Choose Blaupunkt's Melo-D Kinetic Mini doorbell to be informed of any visits without taking up too much space! With its small size, Melo-D Kinetic Mini won't clutter up your power strip with more space than you need! There are a number of melodies to choose from, as well as a visual alert if you wish: it adapts to you. Lastly, with Kinetic technology, you no longer need batteries to operate your call button; a practical and economical solution!

EASY TO INSTALL

The doorbell can be plugged into a standard electrical socket without cluttering up the surrounding area, which is handy if you're using a power strip!
The outside call button can be mounted to the pillar of your home at a distance of 100 metres from the doorbell in an open range.
No configuration required – the doorbell and the call button are already paired.

FUNCTIONS

- Discretion guaranteed: if you're using a power strip, your doorbell will leave all other sockets free, unlike most other models.
- Choose your alert: melody/flashing light/melody + light.
- You can choose from 7 melodies with 4 volume settings.
- Integrated name holder

KIT CONTENTS

1 mini doorbell to plug in
1 Kinetic call button
