BE EASILY ALERTED

Choose Blaupunkt's Melo-D Battery wireless doorbell to keep informed of all your visits. Battery-powered and stylishly designed, you can place it anywhere in your home to let you know if a visitor rings. Its wide choice of melodies and Kinetic technology make it both customisable and economical.

EASILY INSTALL YOUR DOORBELL

Melo-D Battery can be placed on a flat surface or mounted to the wall, as you wish. In addition, it alerts you with an audible or visual signal when the battery is low, and can be charged using a USB-C cable. The outside call button can be mounted to the pillar of your home at a distance of 150 metres from the doorbell in an open range. No configuration required – the doorbell and the call button are already paired.

FUNCTIONS

Choose your alert: melody/flashing light/melody + light/night mode lasting 3, 6 or 9 hours. You can choose from 7 melodies with 5 volume settings.

TO RESPOND EVEN MORE EFFECTIVELY TO YOUR NEEDS...

Scalable platform: Add up to 3 doorbells and 3 call buttons to this kit for a maximum total of 4 of each. These additions give you the best possible warning in your home while covering all your entrances.
