

FACELINK - 7" COLOUR VIDEOPHONE

FACIAL RECOGNITION

350108

MAKE YOUR VISITORS FEEL WELCOME WITH FACIAL RECOGNITION

Choose Blaupunkt's FaceLink connected videophone to control access to your home using facial recognition technology. The gate or side gate opens automatically when FaceLink recognises the face of an authorised person. Its many features and easy installation make FaceLink a must-have for home security!

FACIAL RECOGNITION: ADDED SECURITY

Featuring advanced biometric technology with a system based exclusively on 3D analysis and two built-in lenses, the FaceLink intercom panel guarantees reliable recognition for access in complete confidence and security. Whether you have changed your hairstyle, are wearing glasses or sporting a beard, the device recognises you instantly.
