

FRONTVIEW - SMART WIRELESS DOORBELL WITH INDOOR CHIME

350123

GUARANTEED ALERT

Be informed every time you have a visitor with the Frontview smart wireless doorbell from **Blaupunkt**. From your smartphone and the free **BlaupunktHome** app, be informed when visitors simply drop by or visit, record the visits if you wish, and enjoy sophisticated human recognition. Don't miss any visitors when you're home with the chime paired with the doorbell included in the pack. As the doorbell can be set up according to the configuration of your front thanks to its integrated brackets, it adapts perfectly to each housing model. Its wide viewing angle, night vision and backlit call button make this doorbell a smart and reliable solution.

BENEFITS OF A SMART DOORBELL

Be informed on your smartphone and the free **BlaupunktHome** app when your visitors drop by, and receive a push notification when motion detection is active and a person enters the perimeter you have defined. When a visitor rings your doorbell, you receive an instant notification on your phone so you can pick up the call if you want to. You can also begin video recording or take a live or delayed photo (micro SD card not included).

FEATURES

- Adaptable installation: two inclined brackets included in the kit allow you to perfectly adjust your doorbell on the wall by more or less 15° to the right, to the left or downwards. The indoor chime plugs into a USB cable included in the kit.
- Wireless doorbell: runs on a battery that lasts for 4 months at a rate of 10 calls per day. It is easily charged: all you have to do is gently remove the doorbell to put it on charge using the USB cable of the chime. The doorbell communicates with the chime via 433 MHz radio.
- Activate the alarm to deter intruders and be notified when someone tries to steal your doorbell.
- Complete vision: enjoy 2.5 K 4 MP image quality over a wide 128° viewing angle, even in low-light conditions, with night vision and its 4 infrared LEDs over 10 meters.
- Backlit call button and two-way sound.
- IP64 certified to withstand outdoor conditions.
- Cloud storage possible from the **BlaupunktHome** app.
