

COZY EYE - MOTORISED WIFI IP CAMERA - 2.5K 4MP

INDOOR CAMERA WITH 355° ROTATION

350300

YOUR INTERIOR IS PROTECTED

Keep an eye on your home with Blaupunkt's Cozy Eye smart wired indoor camera. View your entrance or living areas remotely using your smartphone and the free BlaupunktHome app. With its ability to detect motion and sound, auto-tracking, 355° rotation, built-in siren and night vision, you can rest easy while you're away. You are instantly notified of any unexpected detection via the app and can view the scene live or recorded (with a microSD card not included). Its 2.5K 4MP resolution gives you a pleasant viewing experience.

FEATURES

- High-definition 2.5K 4MP for excellent image quality.
- Optimum 10-metre night vision with infrared LEDs.
- Connected camera: you can easily see what's happening inside your home from wherever you are using the BlaupunktHome app on your phone.

INCREASED SECURITY

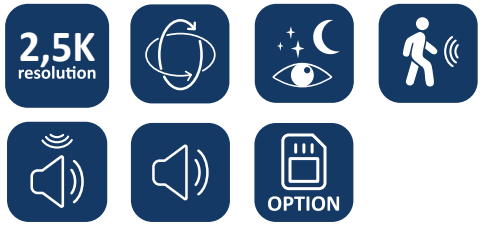

- The Cozy Eye rotates through 355° horizontally, giving you 100% visibility of your interior.
- Motion and sound detection, with an alert sent to your smartphone if you wish.
- Auto-tracking in the event of unanticipated detection for live or recorded viewing.
- You can also trigger the 75 dB built-in siren at any time to act as a deterrent.
- Make the most of two-way audio to interact with people in close proximity to the camera.

KIT CONTENTS
