BLAUPUNKT

STREETEYE - MOTORISED WIFI IP CAMERA - 2.5K 4MP

OUTDOOR CAMERA WITH 355° ROTATION

350301

KEEP AN EYE ON ALL YOUR OUTDOOR AREAS

Keep a 355° eye on your outdoor areas with Blaupunkt's StreetEye wired connected outdoor camera. View your garden or driveway remotely using your smartphone and the BlaupunktHome app. Its human or vehicle motion detector, auto-tracking, 355° rotation, built-in siren and high-quality night vision give you peace of mind when you're away. With its connectivity, access live or recorded viewing (with a microSD card, not included) and be notified when motion is detected. Its 4MP resolution gives you the best possible viewing experience.

FEATURES

Fantastic visual quality
- High-definition 4MP for excellent image quality.
- Night vision: 4 infrared LEDs for perfect vision over 15 metres.
- You can activate the light over a range of 10 metres to ensure good visibility at night and deter potential intruders.
- Easily monitoring the outside of your home from your smartphone gives you peace of mind.

INCREASED SECURITY

- Its rotation with an amplitude of 100° vertically and 355° horizontally ensures 100% visibility of your terrain.
- Human and vehicle detection.
- When unexpected motion is detected, you receive a notification on your smartphone via the BlaupunktHome app. At the same time, the camera can perform auto-tracking for live or recorded viewing (24-hour video recording support, so you never miss a moment, with a microSD card not included).
- You can also trigger the 75 dB siren at any time to act as a deterrent.
- Make the most of two-way audio to interact with people in close proximity to the camera.

KIT CONTENTS

1 WiFi IP camera
1 mains adapter
1 set of screws
