SOLAR EYE - MOTORISED SOLAR - POWERED STAND - ALONE WIFI IP CAMERA

100% WIRELESS MOTORISED OUTDOOR CAMERA

350302

STAND-ALONE OUTDOOR CAMERA

Choose Blaupunkt's Solar Eye outdoor solar IP-connected camera and keep an eye on your outdoors with ease! With its photovoltaic panel and battery, it is quick and easy to install as there is no need to run cables. Connected to the Internet, you are notified when unexpected motion is detected and you can view the scene remotely, take a live photo or trigger a video recording on your smartphone via the BlaupunktHome app.

FEATURES

-Quick, wireless installation using the set of screws supplied.
- Motion and human figure or vehicle detection.
- The siren can be activated to act as a deterrent.
- Easy definition of detection zone on BlaupunktHome.
- Motorised camera and two-way audio.
- Built-in light and night vision up to 10 metres.
- 4MP -2.5K definition for excellent image quality.
- Bluetooth pairing; makes it easy to connect the camera to the 2.4GHz/5GHz router.

ENHANCED SECURITY

- Its rotation with an amplitude of 140° vertically and 330° horizontally ensures excellent visibility of your terrain.
- Human and vehicle detection.
- When unexpected motion is detected, you receive a notification on your smartphone via the BlaupunktHome app. At the same time, the camera can perform auto-tracking for live or recorded viewing (with a microSD card not included - supports up to 128 GB).
- You can also trigger the 80 dB siren at any time to act as a deterrent.
- Make the most of two-way audio to interact with people in close proximity to the camera.
- 2-month battery life if you don't want to use the solar panel included. You can charge the battery using a USB-C cable (not included).
